Dear

Enclosed herewith is a list of the basic publications which contain descriptions and organization patterns of U. S. aid programs and related subjects in overseas areas. Sorry for the delay in getting this to you, but I have been away on official chores.

Many of the publications have only a slight bearing on your specific interest while others are quite detailed. I think you might profit from perusing all of them. After reviewing these materials and when you have specific questions as to the name of the person holding a particular job in a particular area, I think that we can come up with answers in rapid order.

Looking forward to seeing you soon. Good luck and cheerio!
